

# MAY newsletter

**PA Day Camp - 5 Spots Left!** Don't stop learning because school is out, sign up for Horse Camp on the June 9 PA Day for riding and theory lessons. Invite your friends, no experience is necessary! Registration form and more information found online.

**Lesson Update:** After a long winter season, we are glad our lesson program has been able to start back up. Though the weather has put many restrictions upon us we are making great headway. Thank you to riders and their parents for being flexible and patient in scheduling make-up lessons.

The **first show** we will be attending is at the Renfrew Fairgrounds on Saturday, May 17. If you are interested in attending please notify Hilary immediately. Spectators are welcome if you are looking to learn more about the show world.

## Keep Safety in Mind!

A reminder to all visitors to the stable to have closed toe shoes on. As the warm air [eventually] greets us, safe footwear is still a necessity.

Also, watch for riders when travelling back roads and down our driveway as people are enjoying their time with their horses. Slow down and be considerate.

Lauren and Arizona

**Welcome, Lauren!** We are happy to welcome Lauren Braun as our new staff member. Lauren is a student at Algonquin College who will be assisting with the care of our horses, and will start teaching riding lessons in June. She brings great energy and compassion to our barn, and we are glad to have her on board. Be sure to introduce yourself when you see her around.

## Clothing orders have arrived!

It is great seeing several of you sport your Winterfell t-shirts around the barn. For those who would like to order still, visit our website for order details.
